Winter 2023

Winter, warmer with AGA

Nothing beats arriving home on a chilly day to the welcoming warmth of the AGA and enjoying a hearty bowl of home-cooked goodness.

The AGA simmering oven is a cook's best friend during the winter months. Simple, delicious comfort food is created in this cavity, which is set to a low, slow temperature – just pop food in the oven and let it work its magic over a few hours.

AGA Cookshop has all the cookware you need to see you through the winter months and beyond – from casserole dishes which conduct the radiant heat from the cast iron ovens and retain the flavour, texture and nutrients, to versatile Portmeirion for AGA oven to tableware which can be used in the freezer and dishwasher as well as looking beautiful when serving pies, traybakes, crumbles and gratins.

To help reduce single-use plastic in the kitchen, we've introduced NEW washable cotton food covers which are perfect for keeping food fresh in the fridge or before serving without the need for cling film – see page 48 for more details.

Also, don't forget about the range of best-selling Bake-O-Glide™ non-stick liners for use in tins, trays and on the simmering plate, which are reusable and dishwasher safe – see page 25 to see the full collection.

Enjoy cosy season!

Warmest wishes,
